Syzygy? Jung used the term to describe the balancing of the opposites. Astronomically, syzygy (pronounced si-zi-gee) refers to a specific conjunction of the sun, moon and earth. On Mother Earth, the planet we call home, we are profoundly influenced by the radiance of the sun as well as the reflected light of the moon as we walk between light and darkness, physically and metaphorically. Solar energy evolves the ego and lunar energy evolves our essence. We learn the balance the two as we travel the twenty-two pathways of Kabbalah's Tree of Life. Honoring The Sacred Feminine, the spiritual practice offered here is an invitation to recognize and welcome intuitive wisdom more definitively into everyday awareness. A fresh interpretation of the traditional Major Arcana for women, here the patriarchal layering of the cards is lifted to reveal a timeless and timely revelation of intuitive wisdom in a sequence of insightful, profound, and empowering teachings for any woman who wishes to read her own life story as more substantive than superficial. Twenty-two of these cards reinterpret the Tarot's Major Arcana. Aligning the cards with the twenty-two letters of the Hebrew alphabet, we access three levels of soul consciousness, in Hebrew known as nefesh, ruach and neshamah through the specific letter, number and story of each card. Meet inspirational archetypes from world culture to light the way. Through meditations and mantras, discover your personal hero's journey that is a crucial part of evolving consciousness. Ten additional cards representing the sefirot or energy centers, offer the Tree of Life as an experiential introduction to Kabbalah. Coincidence and kabbalah, symbols and synchronicities, metaphors and mantras enrich and deepen life's experience. This mythic and metaphoric interpretation liberates these cards solely from the realm of prognostication and presents a meditative and inspirational tool for a daily personal practice. Heather Mendel's elegant, powerful images, full of mystery and complexity, will forever change the way you view the wisdom of the ancient Tarot.
