This is the hardback version. The television series that premiered in January 1971 had a short run of only three seasons but its popularity is in inverse proportion to its time on the air. Its fifty episodes were enough to garner fans that have remained loyal to the show for thirty years. Alias Smith and Jones: The Story of Two Pretty Good Bad Men showcases the episodes and provides a behind-the-scenes look at one of the last of television's popular westerns.
