Banishing Shadows Lorna Jean Roberts

Walking home from a late-night shift at the hospital, Amy Bennett unwittingly stumbles into the violent, mysterious world of sexy Rhys Morgan. She wants him at once, but he's a man with dangerous secrets, and despite the explosive attraction between them, he seems determined to push her away. One of the oldest of his kind, the intense Immortal warrior Rhys spends his nights on the streets of Chandler protecting the city from the demons that threaten to overrun it. Though strong, he now has a weakness...Amy. His gift of premonition has always been a curse, and more so since Amy's death has begun haunting his dreams. But she's part of his world now, and Rhys doesn't know how to save her, or how to protect his heart. Publisher's Note: This book was previously published elsewhere as My Immortal. A Romantica® erotic romance from Ellora's Cave
