Diary of an Accidental Wallflower: The Seduction Diaries Jennifer McQuiston

The first irresistible installment in New York Times bestselling author Jennifer McQuiston's Seduction Diaries series proves that some secrets are too delicious to hide.

Pretty and popular, Miss Clare Westmore knows exactly what (or rather, *who*) she wants: the next Duke of Harrington. But when she twists her ankle on the eve of the Season's most touted event, Clare is left standing in the wallflower line watching her best friend dance away with her duke.

Dr. Daniel Merial is tempted to deliver more than a diagnosis to London's most unlikely wallflower, but he doesn't have time for distractions, even one so delectable. Besides, she's clearly got her sights on more promising prey. So why can't he stop thinking about her?

All Clare wants to do is return to the dance floor. But as her former friends try to knock her permanently out of place, she realizes with horror she is falling for her doctor instead of her duke. When her ankle finally heals and she faces her old life again, will she throw herself back into the game?

Or will her time in the wallflower line have given her a glimpse of who she was really meant to be?
