There are more than two hundred reality TV shows planned for this year alone. Millions of people have applied to be on these shows; only a handful has been chosen to compete and win big money. One of those chosen few is Jack Benza, and in *So You Wannabe on Reality TV* he lifts the veil of secrecy to reveal exactly what the experience is like—how to get cast, how to stay on top, how to win. First, the author tells exactly how to pass the audition—perhaps by creating a marketable “alter ego,” as he did. Once on the show, readers will need the amazing information on how producers rig shows, how cameras turn into confessionals, and how sex and alcohol are used as rewards. This one-of-a-kind book shows the real world of reality TV.
