American Negro Slave Revolts Herbert Aptheker

This is the first fully documented study of Negro slave revolts in The United States. Dr. Aptheker provides proof, obtained by painstaking research, that this content and rebelliousness were not only exceedingly common, but we're characteristic of American Negro slaves.

Special attention is paid to the famous slave rebellion of Nat Turner, into the revolts led by Denmark Vesey and Gabriel. This pioneering study remains a major contribution to the destruction of the myth of Afro - American docility.
