Permission Evangelism: When To Talk, When To Walk Michael L. Simpson

Ministry, more than ever, must occur outside the doors of the church; and most of the time cannot look, feel or taste like organized religion. This book is written using proven business and marketing techniques, as well as encouraging stories of success from Christians who once thought they could not succeed in evangelism. Christians are freed from the pressure of doing the "Work" of sharing their faith and have the experience of success with each conversation.
