Esta edição destaca o Seminário Internacional de Cultura e Formação, realizado no Itaú Cultural em novembro de 2012. O seminário é fruto de dois processos relaciona-dos: primeiro, uma grande reflexão sobre os destinos da instituição, que completara, nesse mesmo ano, 25 anos de fundação; consecutivamente, o desejo de dialogar sobre como o terceiro setor pode contribuir para o desenvolvimento dos processos de formação cultural, bem como qual lugar lhe cabe nesse cenário. Para a revista, selecionamos contribuições de natureza diversificadas derivadas desse encontro: discussão de conceitos, debates de políticas, análise de situações ou simplesmente narrativas de experiências, compondo, assim, um pequeno retrato do seminário, bem como das relações entre cultura e formação na contemporaneidade.
