## **Teachers As Mentors: Models for Promoting Achievement with Disadvantaged and Underrepresented Students by Creating Community** Aram Ayalon

"Teachers who want to become mentors are given specific suggestions for creating close, nurturing relationships through a range of structure, strategies, and resources. The book is accessible, descriptive, and liberatory—giving hope through grassroots examples that teachers who commit to student-centered discourse and action can create the conditions needed for sustainable mentoring environments."?Carol A. Mullen, The University of North Carolina at Greensboro, former editor of *Mentoring & Tutoring: Partnership in Learning*
