The Flame Tree

Richard Lewis

The Flame Tree Richard Lewis

Isaac Williams, twelve-year-old son of American doctors at a mission hospital in Java, Indonesia, is certain that his friendship with Ismail Sutanto is as solid and enduring as the majestic flame tree in the yard. But the haven of their small world is shattered when a fundamentalist Islamic organization begins to threaten the hospital. Terrorists infiltrate, the State Department orders an evacuation, bombs ex-plode, and Isaac is taken hostage.

The experience embitters Isaac. He knows that he should forgive those who have hurt him, yet he doesn't think that he can. His life is changed forever, but will it be forever crippled by his bitterness?

Set against the backdrop of September 11, 2001, *The Flame Tree* is a fierce novel of friendship, faith, and forgiveness. Richard Lewis tells a story that is at once timely and timeless, one that has the power to move hearts and open eyes.

From reader reviews:

Mark Fetter:

Have you spare time for any day? What do you do when you have more or little spare time? That's why, you can choose the suitable activity intended for spend your time. Any person spent all their spare time to take a go walking, shopping, or went to the Mall. How about open as well as read a book eligible The Flame Tree? Maybe it is for being best activity for you. You understand beside you can spend your time with your favorite's book, you can smarter than before. Do you agree with the opinion or you have some other opinion?

Guy Gregory:

As people who live in often the modest era should be revise about what going on or data even knowledge to make all of them keep up with the era that is certainly always change and move ahead. Some of you maybe will probably update themselves by examining books. It is a good choice for you but the problems coming to a person is you don't know which you should start with. This The Flame Tree is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

James Drake:

Information is provisions for those to get better life, information currently can get by anyone with everywhere. The information can be a expertise or any news even a problem. What people must be consider if those information which is in the former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take The Flame Tree as your daily resource information.

Catherine Mejia:

A number of people said that they feel weary when they reading a guide. They are directly felt the idea when they get a half areas of the book. You can choose the actual book The Flame Tree to make your own reading is interesting. Your personal skill of reading talent is developing when you like reading. Try to choose simple book to make you enjoy to read it and mingle the idea about book and looking at especially. It is to be 1st opinion for you to like to open a book and study it. Beside that the guide The Flame Tree can to be your brand-new friend when you're truly feel alone and confuse in what must you're doing of that time.
