Even during a truce, Dr. Petra Robichaud has her hands full as the M\*A\*S\*H surgeon to an army of warring gods—especially when Medusa herself turns up pregnant. Petra has no idea what to expect when a gorgon's expecting, but she won't let it turn her to stone. As the healer-hero of an ancient prophesy, it's Petra's job to keep the peace. But as the lover to a warrior demi-god, she knows how impossible some jobs can be... Commander Galen is sexy, strong, and sworn to lead his team to hell and back. But when he announces to Petra that he can no longer risk her life for his love, the doctor is on her own...Until a mysterious new entity—in the form of a hot-blooded male—enters the picture. Can he be trusted? Can he be resisted? Meanwhile, an oracle delivers another prophesy that places Petra back on the frontlines with the man she may be bound to for eternity—in love, or in war...
