**Pack Up the Moon** Rachael Herron

*A poignant novel about loss, lies, and the unbreakable bonds of family.*

Three years after a horrible tragedy took her son and tore her family apart, artist Kate Monroe is beginning to pick up the pieces of her life and move on. At a gala showcasing her triumphant return to the art world, Kate's world is rocked again when the daughter she gave up for adoption twenty-two years ago introduces herself.

Pree is the child Kate never knew and never forgot. But Pree has questions that Kate isn't sure she's ready to answer. For one thing, she never told Pree's father, her high school sweetheart and ex-husband, Nolan, that they had a daughter. For another, Kate hasn't spoken to Nolan for three years, not since the accident which took their nine-year-old son from them. But to keep Pree from leaving forever, Kate will have to confront the secrets that have haunted her since her son died and discover if the love of her family is strong enough to survive even the most heartbreaking of betrayals...
