"Now that the Crime Syndicate's reign of terror is finally at an end, the Fastest Man Alive is more determined than ever to catch the countless criminals they released from Iron Heights-and stop the killer who's using weapons stolen from the Flash's rogues gallery to commit his crimes. In between, he's even trying to guide a troubled kid named Wally West back to the right path. But with each daring rescue and bullet-dodging battle, it feels like the time is slipping through his fingers....

...and years from now, his time has run out. A darker, more driven Flash is working backwards through time to fix his forerunner's mistakes and save the lives he was too late to save-by any means necessary. His friends and enemies alike barely recognize him. That's because he's harboring a terrible secret about the Speed Force that fuels him. A secret that's set him on a collision course...with himself...
