**In book three of the King of Ys series, Gratillionius's reign faces a deadly new threat from across the sea**

For sixteen years Gratillionius has been the king of Ys, a position he has used to bring the once-teetering city-state back to stability as the Roman Empire continues to collapse around it. Rome would prefer a more malleable leader in Gratillionius's place and makes no secret of it. As pressure from Roman leadership increases, Gratillionius must also contend with Niall maqq Echach, the leader of Northern Ireland who holds the Ysan king responsible for the death of his son. Compounding these complications is the ever-present threat of retribution by the Ysan gods, should the kingdom's leadership make a misstep. But perhaps the greatest danger of all is unfolding from within Gratillionius's own household, where, following the death of one of his nine wives, the gods have named an unsettling replacement: Dahut, Gratillionius's own daughter.

As treachery mounts from within and without, Gratillionius must hold to his principles in defiance of the gods while still protecting Ys from the destruction closing in on all sides.

*Dahut* is the third book in Poul and Karen Anderson's King of Ys series, which concludes with *The Dog and the Wolf*.
