## **Due solstizi a Mount Varana (Italian Edition)** Marina Cappelli

“Non avevo scelto io dove andare, come non avevo scelto cosa essere e che lavoro fare. Niente, negli ultimi 23 anni, aveva preso una sola volta in considerazione le mie volontà.”

Shadia non è come tutte le altre ragazze e non è l'unica ad avere istinti che la rendono diversa, instabile.

La sua vita fa parte di una catena che non pare volersi esaurire. Una catena di cui deve trovare il primo anello, scorrerli tutti fino a trovare l'ultimo. Non la deve mollare mai, o sarà stato tutto inutile e dovrà ricominciare tutto daccapo, dal primo anello.

Perché è vero che si trova a vivere una vita che non ha voluto, ma pare che chi gliene ha fatto dono abbia interesse anche a non farla morire. Mai.

Mentre a un certo punto Shadia capisce che è necessario che muoia. Che muoia tutto di lei, fino all'ultimo cromosoma.
