The Atonement Between God and Man

Charles T. Russell

The Atonement Between God and Man Charles T. Russell

Examines over 2100 Scriptures from the Old and New Testaments.

The doctrine of the Atonement by the blood of Christ is the foundation of the Christian religion. Clearly then, a thorough and harmonious understanding of this subject is essential for all Christians. The Atonement, however, although confessed by all, is understood in its entirety by relatively few. The various ideas and theories concerning it are disconnected and vague. So also, then, must be the resulting faith built upon these vague concepts.

The Atonement Between God and Man provides a detailed study of:

- The Atonement accomplished by Jesus Christ.
- Why blood atonement was necessary.
- Jesus' role as the Mediator of the New Covenant.
- The baptism, seal and witness of the holy Spirit.
- The meaning of the word "soul" and "spirit."
- How the curse of sin and death will be lifted in Christ's Kingdom.
- The basis for belief that Jesus Christ is "the ransom for all." (2 Timothy 2:5, 6)

An inspiring chapter, "Made Like unto His Brethren," details how Jesus was indeed made in our "likeness," yet remained sinless, though tempted in all points as we, his followers. In what sense was he "made perfect," through the things which he so willingly suffered on our behalf? As the only begotten son of God himself, why did he need to "learn obedience?"

Many christians today are concerned about the baptism and witness of the spirit. Is saying "I believe" really all that is involved in becoming a footstep follower of Christ? What does it mean to be baptized with the holy Spirit? How can we know we have His holy Spirit dwelling in us and sealing us? What is "the spirit of a sound mind" and how can we know if we've achieved it? The Atonement Between God and Man outlines how to confidently recognize the spirit's witness.

Few books in modern times have achieved as much depth in the understanding of God's atoning work accomplished through Jesus Christ. This work leaves no room for doubt as to the true meaning of Jesus' sacrifice and our benefit from it. As revealed in the Old Testament record, the author traces the Day of Atonement types and shadows as they point forward to Christ and beyond, to the future work of Christ to be accomplished in His Millennial Kingdom.
