Growing Grapes and Small Fruits for Profit

J. Harold Clark

Growing Grapes and Small Fruits for Profit J. Harold Clark

This early work on grapes and small fruits is both expensive and hard to find in its first edition. It contains information on planting, fertilisation, mulching and much more. This is a fascinating work and is thoroughly recommended for the amateur fruit grower. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
