**This is no Cinderella story – finally there’s a fairytale where the stepmother is the hero!** My Fairy Stepmother is a children's book that turns the Cinderella myth on its head, with a caring stepmother who helps her stepdaughter find courage she never knew she had. Amelia’s stepmom Maribel has a special secret. When Amelia has trouble sleeping, will her stepmother’s secret be able to help? Children of blended families will be drawn in by the colorful hand-crafted illustrations, and the tale of magic and empowerment that follows. They’ll identify with Amelia’s character as she travels between two households, and faces challenges that only stepchildren face. And parents will love the positive portrayal of a stepmother who helps her stepdaughter with these challenges.
