Giraffes are known for being quiet and majestic creatures and are outstanding in so many ways! The patterns on giraffes are like fingerprints: no two are the same. Did you know that giraffes are six feet tall at birth? Or that giraffes have the ability to run up to 30 miles an hour and that they neck wrestle in their spare time?

Wow! National Geographic Giraffes 2017 presents spectacular photographs that reveal their unique features. Each vivid image is accompanied by insightful National Geographic information and a large grid with moon phases and international holidays. Proceeds from the sale of this calendar support vital exploration, conservation, research, and education programs. The calendar includes a 3-year at-a-glance page and is earth friendly, printed with soya-based inks on FSC certified paper.
