The Last Train to Paris Michele Zackheim

1935. Rose Manon, an American daughter of the mountains of Nevada, working as a journalist in New York, is awarded her dream job, foreign correspondent. Posted to Paris, she is soon entangled in romance, an unsolved murder, and the desperation of a looming war. Assigned to the Berlin desk, Manon is forced to grapple with her hidden identity as a Jew, the mistrust of her lover, and an unwelcome visitor on the eve of *Kristallnacht*. And . . . on the day before World War II is declared, she must choose who will join her on the last train to Paris.

This is a carefully researched historical novel that reads like a suspense thriller. Colette and Janet Flanner are only two of the well-known figures woven into the story. The parts they play will surprise readers. *Last Train to Paris* will enthrall the same audience that made *In The Garden of Beasts* by Erik Larson and *Suite Française* by Irène Némirovsky bestsellers.
