Pediatric Massage Therapy (LWW In Touch Series) Marybetts Sinclair

This book provides a complete overview of the concepts and techniques that massage therapists, physical or occupational therapists, and other healthcare professionals need to know in order to perform manual therapy on children—especially those with disabilities. The author fully covers the applications of massage therapy for children ages 2 to 18.

Pediatric Massage Therapy, Second Edition is well written, well researched, and expertly illustrated to provide a clear, demonstrative guide to pediatric massage. Topics include massage in healthy emotional development, managing psychological stress, physical therapy, and home healthcare. Real-life examples and anecdotes from hands-on therapists help readers relate to specific applications.
