The Trouble with Lexie: A Novel Jessica Anya Blau

From the beloved author of *The Summer of Naked Swim Parties* and *The Wonder Bread Summer* comes the jaw-dropping story of Lexie James, a counselor at an exclusive New England prep school, whose search for happiness lands her in unexpectedly wild trouble.

Lexie James escaped: after being abandoned by her alcoholic father, and kicked out of the apartment to make room for her mother's boyfriend, Lexie made it on her own. She earned a Masters degree, conquered terrifying panic attacks, got engaged to the nicest guy she'd ever met, and landed a counseling job at the prestigious Ruxton Academy, a prep school for the moneyed children of the elite.

But as her wedding date nears, Lexie has doubts. Yes, she's created the stable life she craved as a child, but is stability really what she wants? In her moment of indecision, Lexie strikes up a friendship with a Ruxton alumnus, the father of her favorite student. It's a relationship that blows open Lexie's carefully constructed life, and then dunks her into shocking situations with headline-worthy trouble.

The perfect cocktail of naughtiness, heart, adventure and humor, *The Trouble with Lexie* is a wild and poignant story of the choices we make to outrun our childhoods—and the choices we have to make to outrun our entangled adult lives.

Is it an individual who having spare time and then spend it whole day through watching television programs or just laying on the bed? Do you need something totally new? This The Trouble with Lexie: A Novel can be the answer, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?

David Fern:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's soul or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Trouble with Lexie: A Novel can make you experience more interested to read.
