The Wonder Spot Melissa Bank

Melissa Bank's runaway bestseller, **The Girls' Guide to Hunting and Fishing**, charmed readers and critics alike with its wickedly insightful, tender look at a young woman's forays into love, work, and friendship. Now, with **The Wonder Spot**, Bank is back with her signature combination of devilishly self-deprecating humor, seriousness and wisdom.

Nothing comes easily to Sophie Applebaum, the black sheep of her family trying to blend in with the herd. Uneasily situated between two brothers, Sophie first appears as the fulcrum and observer of her clan in "Boss of the World." Then, at college, in "The Toy Bar," she faces a gauntlet of challenges as Best Friend to the dramatic and beautiful Venice Lambourne, curator of "perfect things." In her early twenties, Sophie is dazzled by the possibilities of New York City during the Selectric typewriter era—only to land solidly back in Surrey, PA after her father's death.

The Wonder Spot follows Sophie's quest for her own identity—who she is, what she loves, whom she loves, and occasionally whom she feels others should love—over the course of 25 years. In an often-disappointing world, Sophie listens closely to her own heart. And when she experiences her 'Aha!' moments—her own personal wonder spots—it's the real thing. In this tremendous follow-up to **The Girls' Guide To Hunting And Fishing**, Bank again shares her vast talent for capturing a moment, taking it to heart, and giving it back to her readers.

From reader reviews:

Bert Gomes:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each publication has different aim as well as goal; it means that book has different type. Some people sense enjoy to spend their time and energy to read a book. They are really reading whatever they have because their hobby is reading a book. Think about the person who don't like examining a book? Sometime, man or woman feel need book once they found difficult problem or exercise. Well, probably you will require this The Wonder Spot.

Janette Collins:

As people who live in typically the modest era should be update about what going on or details even knowledge to make all of them keep up with the era that is certainly always change and progress. Some of you maybe will probably update themselves by reading through books. It is a good choice for you but the problems coming to you is you don't know which one you should start with. This The Wonder Spot is our recommendation so you keep up with the world. Why, as this book serves what you want and want in this era.

Patricia Coburn:

Reading a book to be new life style in this yr; every people loves to go through a book. When you read a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. If you want to get information about your examine, you can read education books, but if you want to entertain yourself look for a fiction books, these us novel, comics, in addition to soon. The The Wonder Spot provide you with new experience in reading through a book.

Charles Myers:

What is your hobby? Have you heard which question when you got pupils? We believe that that issue was given by teacher with their students. Many kinds of hobby, Every person has different hobby. And you know that little person like reading or as reading through become their hobby. You must know that reading is very important as well as book as to be the factor. Book is important thing to increase you knowledge, except your current teacher or lecturer. You see good news or update regarding something by book. Amount types of books that can you choose to use be your object. One of them is niagra The Wonder Spot.
