## **Towards a Universal Justice?: Putting International Courts and Jurisdictions into Perspective**

The recent proliferation of international courts and jurisdictions raises a number of important issues ranging from the redefinition of the role of the International Court of Justice to the recent emergence of domestic courts as international jurisdictions. "Towards a Universal Justice? Putting International Courts and Jurisdictions into Perspective," containing edited articles presented at the International Law Association's Regional Conference held in Lisbon, offers a comprehensive overview of those issues and outlines challenges ahead for every branch of international law."
