Tree By Leaf Cynthia Voigt

It's not fair that Clothilde's father has returned from World War I so disfigured that he retreats to the boathouse as a recluse. It's not fair that her brother has abandoned the family to live with his rich grandfather in Boston. It's not fair that her mother has reverted to the role of a lady, leaving Clothilde to do all the housework. And it's certainly not fair that the Maine peninsula that Clothilde inherited from a great-aunt may have to be sold to support the family.

Then a mysterious Voice speaks to Clothilde, giving her the chance to change the life fate has dealt her and the people she loves. But Clothilde's wishes come true in unexpected, frightening ways -- and at a price she isn't sure she has the courage to pay.
