## **Ulrich Zwingli: The Patriotic Reformer** William M. Blackburn

"No other reformer struck out a more original and independent course than Ulrich Zwingli (1483-1531). No other man attempted to be, at the same time, a preacher, author, statesman, military patriot and reformer. Why he gave such varied direction to his noble energies, and how well he succeeded in his efforts, it is partly the design of the present volume to show. His personal history is full of interesting incidents; his character rich in admirable qualities; his public life conveys a lesson upon the mingling of religion and politics which it may be well to ponder in later times. The author has endeavoured to set forth the man and his friends as they grew in piety and laboured together in studying the Word of God, teaching and preaching the truth, and restoring the Church to the foundation of Christ and his Apostles. If the good seed of divine truth shall be found in the sheaves of this gleaning, and there be a soil for it in the reader's heart, the Lord may bless the volume now committed to his care." -from the Author's Preface
