"This Thomas preached the Gospel of Christ to the Parthians, the Medes, the Persians, the Hyrcanians and the Bactrians, and to the Indians of the Oriental region and penetrating the innermost regions and sealing his preaching by his passion he died transfixed with a lance at Calamina...a city of India, and there was buried with honor". St. Isidore of Seville in Spain c. 630 AD The ministry of St.Thomas has seldom treated in detail covering the vast areas of world where he went to the ends of the earth. This book is an attempt to remedy this. It deals with impact of Thomas' ministry in the cultures of India and China and in the religions of these areas - Vedism and Buddhism transforming them beyond imagination. It produced the Indian Christianity which is still in communion with the Christian Communes of the rest of the world. From it emerged the various Gnostic Syncretic religions known as Hinduism and the "Mahayana Buddhism"
