## **Nirvana: The True Story** Everett True

Everett True is responsible for bringing Nirvana, Hole, Pavement, Soundgarden and a host of other bands to public attention. He introduced Kurt to Courtney, performed on stage with Nirvana on numerous occasions and famously pushed Kurt onto the stage of the Reading Festival in 1992 in a wheelchair.

This is the true story written by the only journalist allowed into the Cobain house immediately after Kurt's death. True reveals the details of what the legendary band was really like, what happened to Cobain in Olympia and Seattle, how Kurt first met Courtney, and gives the lowdown on the scenes, the seminars, the live dates, the friends and the drug dealers surrounding the grunge explosion.

A decade after Kurt Cobain's suicide, Nirvana continues to exert an enormous power on popular music as new generations discover the poignancy in their music. For the first time, here is a true insider's commentary on one of rock's most influential bands.
