Poison Is Not Polite (A Wells & Wong Mystery) Robin Stevens

A tea party takes a poisonous turn leaving Daisy and Hazel with a new mystery to solve in the second novel of the Wells & Wong Mystery series.

Schoolgirl detectives Daisy Wells and Hazel Wong are at Daisy's home, Fallingford, for the holidays. Daisy's glamorous mother is throwing a tea party for Daisy's birthday, and the whole family is invited, from eccentric Aunt Saskia to dashing Uncle Felix. But it soon becomes clear that this party isn't about Daisy after all—and she is furious. But Daisy's anger falls to the wayside when one of their guests falls seriously and mysteriously ill—and everything points to poison. It's up to Daisy and Hazel to find out what's really going on.

With wild storms preventing everyone from leaving, or the police from arriving, Fallingford suddenly feels like a very dangerous place to be. Not a single person present is what they seem—and everyone has a secret or two. And when someone very close to Daisy begins to act suspiciously, the Detective Society does everything they can to reveal the truth...no matter the consequences.
