The Juggling Pug Sean Bryan

A town becomes instantly famous when one special pug begins to juggle. But the pug is also mischievous, messy, and quite naughty. He digs holes in the yard, drinks all the soda in the fridge, and even poops on the rug! This continues until, finally, a little girl has had enough. It's only when the town calls a meeting to deal with this new nuisance that the pug must learn to control his behavior, or else!

From the award-winning author and illustrator of *A Girl and Her Gator* comes a story that will teach kids how to juggle good behavior and the limelight. Now in a new edition (with updated jacket and smaller trim size), Bryan's wacky rhyming and Murphy's witty illustrations are sure to entertain young readers and parents alike. A good read-aloud for children ages 3 to 6, this book is a good reminder to children to be respectful of others' things. Sean Bryan creates a humorous story that parents won't mind reading over and over again and younger children just learning to read will be able to master the simple text.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
