## **The SAGE Handbook of International Higher Education**

**The SAGE Handbook of International Higher Education** examines the internationalization of higher education from a marginal to a core dimension of higher education worldwide. This mainstreaming of internationalization is a fascinating phenomenon: new concepts, programs, providers, and methods of delivery are emerging; impressive national and regional scholarship programs have been established; radical reforms have been undertaken to make higher education globally competitive; and mobility of students and scholars has increased around the world. This groundbreaking handbook serves as a guide to internationalization of higher education and offers new strategies for its further development and expansion in the years to come. With a decidedly global approach, this volume brings together leading experts from around the world to illustrate the increasing importance of internationalization. The text encompasses the diversity and breadth of internationalization of higher education in all its thematic facets and regional impacts.
