Yeah, I Said It

Wanda Sykes

Yeah, I Said It Wanda Sykes

Wanda Sykes reduces people to tears -- tears of laughter. She's done so as a stand-up comic, a sitcom star, and a sports commentator for years now, and in the process she's gained a huge fan base nationwide. Now that she's conquered television, she's applying her genius to her first book, *Yeah, I Said It*. Here, Wanda presents hilarious and uncensored commentary on sex, family, politics, celebrities, and much more than she could ever say in a sound bite.

But then again, she's a genius with a sound bite too. Here's what she says about men and football. "I used to think that football took place in this overbearing male-only environment that bled masculine domination. But the more I attend, the more I realize these football fans could actually be experiencing the straight man's gay pride parade. You see men painting each other's faces in bright colors. You see men proud to wear another man's last name on their shirt. You see some men wear no shirt at all....Hot wieners on every corner as you walk up to the main competition. Men open the back of their trunks for a little tailgating."

Here's what she says about women: "Women are taking stripper classes in hopes their men will stop going to strip clubs....You can't compete with those strippers....You gotta have...the stripper mentality. In other words, the ability to lie like a dog for a measly buck. A stripper will tell your man anything for a dollar. 'Oow, I thought you were Brad Pitt.' "

An uproarious and irreverent collection from one of today's foremost comedic talents, *Yeah, I Said It* is Wanda Sykes at her uncensored best. Here, she channels her sharp wit into funny bits on the truth as she sees it from the halls of government in Washington, D.C., to the red carpets and boardrooms of Hollywood. Imbued with her razor-sharp voice, these essays showcase Sykes's sidesplitting candor and her trademark brand of comedy.

From reader reviews:

Ila Petty:

Do you have favorite book? When you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each publication has different aim or maybe goal; it means that guide has different type. Some people really feel enjoy to spend their the perfect time to read a book. They are reading whatever they consider because their hobby is reading a book. Think about the person who don't like reading a book? Sometime, man feel need book after they found difficult problem or maybe exercise. Well, probably you'll have this Yeah, I Said It.

John McDole:

As people who live in the modest era should be change about what going on or facts even knowledge to make these people keep up with the era which can be always change and move forward. Some of you maybe may update themselves by studying books. It is a good choice for you personally but the problems coming to you is you don't know which you should start with. This Yeah, I Said It is our recommendation so you keep up with the world. Why, because book serves what you want and wish in this era.

Paul Williams:

Reading a publication tends to be new life style with this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world can easily share their idea. Books can also inspire a lot of people. Lots of author can inspire all their reader with their story or even their experience. Not only situation that share in the ebooks. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on this planet always try to improve their ability in writing, they also doing some exploration before they write for their book. One of them is this Yeah, I Said It.

Jesse Mansell:

This Yeah, I Said It is brand-new way for you who has interest to look for some information since it relief your hunger associated with. Getting deeper you in it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this Yeah, I Said It can be the light food for yourself because the information inside this kind of book is easy to get by means of anyone. These books develop itself in the form and that is reachable by anyone, sure I mean in the e-book type. People who think that in reserve form make them feel tired even dizzy this e-book is the answer. So there is not any in reading a book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss that! Just read this e-book style for your better life along with knowledge.
