Hard and Fast

Sean Wolfe

Hard and Fast Sean Wolfe

In this edgy, provocative anthology, Sean Wolfe uses his wickedly erotic imagination to expose the wild side in every man--the side that's just waiting to be released. . .

A counselor at a church camp succumbs to a gorgeous younger guy's unrelenting advances in "Camp Quaker Haven." In "Pool Party," twins Cole and Chris get a chance to explore their most mind-blowing fantasies with their school's hottest jocks. A lonely cowboy plays Good Samaritan when he finds a young Native American man being harassed by a bunch of drunks--and is repaid in the most gratifying way possible in "Lone No More." And a priest beloved by his community finds forbidden temptation--and unexpected understanding--in "The Collar."

By turns explicit and intimate, tender and raunchy, here are twelve stories that satisfy on every level. Because nothing beats the thrill of giving in, and learning that breaking the rules brings all kinds of rewards.

From reader reviews:

Stephen Williams:

What do you consider book? It is just for students as they are still students or that for all people in the world, the actual best subject for that? Merely you can be answered for that issue above. Every person has distinct personality and hobby for every other. Don't to be obligated someone or something that they don't want do that. You must know how great in addition to important the book Hard and Fast. All type of book is it possible to see on many solutions. You can look for the internet solutions or other social media.

James Jones:

This Hard and Fast are reliable for you who want to be a successful person, why. The main reason of this Hard and Fast can be one of several great books you must have is actually giving you more than just simple reading through food but feed you with information that might be will shock your earlier knowledge. This book is definitely handy, you can bring it everywhere and whenever your conditions in e-book and printed kinds. Beside that this Hard and Fast giving you an enormous of experience for example rich vocabulary, giving you trial run of critical thinking that we all know it useful in your day exercise. So , let's have it and revel in reading.

Harrison Colon:

People live in this new morning of lifestyle always try and and must have the time or they will get lot of stress from both everyday life and work. So , whenever we ask do people have spare time, we will say absolutely yes. People is human not only a robot. Then we inquire again, what kind of activity do you have when the spare time coming to a person of course your answer will probably unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative in spending your spare time, typically the book you have read will be Hard and Fast.

Morris Sampson:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many question for the book? But just about any people feel that they enjoy regarding reading. Some people likes examining, not only science book but additionally novel and Hard and Fast or even others sources were given understanding for you. After you know how the fantastic a book, you feel would like to read more and more. Science e-book was created for teacher or maybe students especially. Those textbooks are helping them to add their knowledge. In other case, beside science guide, any other book likes Hard and Fast to make your spare time more colorful. Many types of book like this.
