In no-regrets remodeling you will find out how to make home improvements that benefit your house, your bank account and your well-being. Here you will learn how new technologies and building practices can do more than make your home look better. It will also feel better, increase in value and cost less to heat, cool and maintain. Chapters guide you through steps that will: eliminate drafts, end mold and mildew problems, prevent peeling paint and rotting roofs, stop family thermostat wars, create more attractive and efficient lighting, provide a new sense of quiet, decrease allergies, protect against carbon monoxide poisoning, attract loans that put money in your pocket and save on utility bills.
