Falling in Love Could Be a Recipe for Disaster

Lucy Kendall returns from a tour of the Continent, her luggage filled with the latest fashions and a mind fired by inspiration. After tasting Europe's best confections, she's sure she'll come up with a recipe that will save her father's struggling candy business and reverse their fortunes. But she soon discovers that their biggest competitor, the cheat who swindled her father out of his prize recipe, has now hired a promotions manager--a cocky, handsome out-of-towner who gets under Lucy's skin.

Charlie Clarke's new role at Standard Manufacturing is the chance of a lifetime. He can put some rough times behind him and reconnect with the father he's never known. The one thing he never counted on, however, was tenacious Lucy Kendall. She's making his work life miserable...and making herself impossible for him to forget.
