Beyond Control (Pyschic) Rebecca York

The *New York Times* bestselling author of the Decorah Security series and dozens of other novels presents a gripping romantic thriller about two people whose intense attraction draws them deeper and deeper into each others' minds—and dangerous secrets...

When journalist Jordan Walker asks Lindsay Fleming for help investigating the puzzling death of a local millionaire's son, he tells himself it's her Capitol Hill connections that he needs. But he can't quite forget the singular, intense reaction he had when he touched her hand the first time they met, and Lindsay is still reeling from the vivid dream she had about him that same night. Their need to connect to each other—mentally and physically—is stronger than anything either has ever felt before.

As they delve deeper into a complicated web of military and scientific secrets, each new discovery brings more questions about their mysterious bond—and more danger. But they must join together to uncover the truth about the power that lies at the very heart of their relationship—and fight against the sinister forces who would destroy them...

“[Her] books...deliver what they promise: excitement, mystery, romance.”
