## **La política en el Perú del siglo XX (Spanish Edition)** Henry Pease, Gonzalo Romero

Uno de los ejes fundamentales de la política es lo que se suele llamar la lucha política, la cual incluye la confrontación y la cooperación entre grupos y líderes. Para entender esta relación es necesario describir y analizar esta lucha, dándole prioridad al análisis de las instituciones centrales del Estado; el sistema electoral y los órganos electorales; el sistema de partidos y el de gobierno.

Los autores analizan cuatro etapas de nuestra historia: el Estado oligárquico, la crisis de dicho Estado, el Estado intervencionista y el Estado neoliberal. Para ello, examinan cada uno de estos periodos, a través de la descripción y el análisis de las luchas políticas que se llevaron a cabo y las instituciones que las caracterizan, enmarcados dentro de un Estado que —como la sociedad que le da origen— ha ido cambiando de manera acelerada en las últimas décadas.

Este libro está dirigido a quienes quieren estudiar la política en el Perú, sean estudiantes, investigadores o profesores, ya sea de ciencia política o de otras disciplinas. Igualmente, se trata de un material que será de gran utilidad para quienes participan en partidos políticos o en organizaciones del Estado y la sociedad civil.
