Learning the City: Knowledge and Translocal Assemblage (RGS-IBG Book Series) Colin McFarlane
Learning the City: Translocal Assemblage and Urban Politics critically examines the relationship between knowledge, learning, and urban politics, arguing both for the centrality of learning for political strategies and developing a progressive international urbanism.

- Presents a distinct approach to conceptualising the city through the lens of urban learning
- Integrates fieldwork conducted in Mumbai's informal settlements with debates on urban policy, political economy, and development
- Considers how knowledge and learning are conceived and created in cities
- Addresses the way knowledge travels and opportunities for learning about urbanism between North and South
