## Sexuality and Sex Therapy: A Comprehensive Christian Appraisal (Christian Association for Psychological Studies Books) Mark A. Yarhouse, Erica S. N. Tan

The field of human sexuality is one of ever-increasing complexity, particularly for Christian therapists and psychologists seeking to be faithful to Scripture, informed by science and sensitive to culture. In *Sexuality and Sex Therapy*, Mark Yarhouse and Erica Tan offer a survey and appraisal of this field from a Christian perspective, which grounds sex therapy in the biblical affirmation of physicality and the redemptive purposes of human life. Integrating the latest research within a Christian worldview, the authors explore sexual dysfunctions as well as various clinical issues and treatments.

Not only have Yarhouse and Tan written a standard resource for Christian therapists and counselors, but they also challenge the church to talk more honestly and openly about the blessing of human sexuality.
