The American College Town

Blake Gumprecht

The American College Town Blake Gumprecht

The college town is a unique type of urban place, shaped by the sometimes conflicting forces of youth, intellect, and idealism. The hundreds of college towns in the United States are, in essence, an academic archipelago. Similar to one another, they differ in fundamental ways from other cities and the regions in which they are located.

In this highly readable book—the first work published on the subject—Blake Gumprecht identifies the distinguishing features of college towns, explains why they have developed as they have in the United States, and examines in depth various characteristics that make them unusual. In eight thematic chapters, he explores some of the most interesting aspects of college towns—their distinctive residential and commercial districts, their unconventional political cultures, their status as bohemian islands, their emergence as high-tech centers, and more. Each of these chapters focuses on a single college town as an example, while providing additional evidence from other towns.

Lively, richly detailed, and profusely illustrated with original maps and photographs, as well as historical images, this is an important book that firmly establishes the college town as an integral component of the American experience.

From reader reviews:

Jim Weigel:

Reading a guide tends to be new life style on this era globalization. With examining you can get a lot of information that can give you benefit in your life. With book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only situation that share in the books. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some analysis before they write with their book. One of them is this The American College Town.

Louis Clark:

Playing with family inside a park, coming to see the coastal world or hanging out with good friends is thing that usually you have done when you have spare time, in that case why you don't try issue that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The American College Town, it is possible to enjoy both. It is great combination right, you still wish to miss it? What kind of hang type is it? Oh occur its mind hangout fellas. What? Still don't have it, oh come on its identified as reading friends.

Gail Beattie:
