The Mountain and the Teaspoon Sue Rader

The Mountain and the Teaspoon takes us on a thorough journey through the book of Daniel. Sue Rader looks at questions such as do all the visions and prophesies in the Book of Daniel point to the birth of Jesus instead of to us? Rader pulls out truths which relate to our everyday life - when we must make life-changing decisions, God is the only one who can see our dilemma from all angles. When we seek Him we may find answers to questions we never knew were there.
